

Dear [Show or Show Organiser]

I'm a member of the Association of Show and Competition Judges (ASCJ).

The association launched in January 2025, and is a network of experienced, qualified show and competition judges for craft, floral art, cookery, preserves and staging and interpretation.

### **Our role**

- Provide judges for shows, competitions, and accredited award schemes across England and Wales. All judges are professionally trained experts in their disciplines and keep up to date with latest trends and best practice.
- Help to train new judges, equipping them with the skills, knowledge and experience to judge at local, regional and national events.

### **Our values**

Our association is built on professional standards, and we champion our values in everything we do:

**Expertise | Professionalism | Fairness | Encouragement | Community**

We have a passion for our disciplines and follow a Code of Conduct.

### **How we can help you**

There are many benefits of using qualified judges. They will:

- Be well-prepared, fair, tactful, decisive, and encouraging
- Pass on their knowledge to entrants, making it more likely they'll enter again
- Raise the profile of your Show.

If you're looking for a judge for your Show, get in touch with us. Tell us about your Show, the date, and what you're looking for. Try to give us as much notice as you can.

And if you're struggling with your Schedule.... we're experienced in providing clear advice and guidance to entrants and can help you design classes or avoid common pitfalls.
