## **2026 Recommended Judging Fees**

Recommend fees for 2026 are as follows:

- Judging fee - £12.50 / hr
- Travel - 40p per mile

We recognise that there may be occasions when judges wish to flex judging fees, depending on the size of Show or the nature of the judging engagement.

It is the responsibility of the individual judge to agree their fees with individual Shows.

We recommend that judges agree fees as part of their acceptance of the judging engagement.
